Pilgrim Fellowship Mission Trip 2010: July 11–17

This summer the Pilgrim Fellowship will be embarking on a Mission Trip to Atlanta, Georgia to volunteer for urban missions throughout the city. Our work will be coordinated by the national non-profit organization, DOOR – Discovering Opportunities for Outreach and Reflection. Our week will also include opportunities for worship, discussion and reflection along with lots of fun and fellowship. As has been our tradition, the whole congregation is invited to support the PF mission efforts through our various fundraisers in the spring and by purchasing stock in the trip. Watch your *Tower Topics* for further details. *On Wednesday, February 3 at 7 pm in Amistad Hall there will be a MANDATORY Planning Meeting for all parents and youth who are interested in the PF Mission Trip 2010.* Questions? Please contact Kim Hoare.

Summer Camp—Silver Lake

Parents, are you making plans for your children this summer? If you are looking for a week of sleep-away camp, consider Silver Lake, the Conference Center of the United Church of Christ in Connecticut. Go to <http://silverlake.ctucc.org> to learn more about the camps being offered for children entering Grades 4–12, or pick up a brochure from the Welcome Hall. Silver Lake offers all the great things many camps do—experiencing the “great outdoors,” swimming in the lake, doing the ropes course, pottery and other arts and crafts. But at Silver Lake, it’s in the context of a Christian community where children also share in leading worship, doing Bible study, and LOTS of singing (some faith-based and some just silly and fun). The price is very reasonable, and scholarships of \$50 to \$100 per child (depending upon the number of applicants) are given by First Church for all children of our church whose parents apply. What a deal for a memorable week of fun!
